## HP PVC-free Wall Paper

HP PVC-free Wall Paper is guaranteed to be free of material or coating flaws and defects that affect the final use of the print and meet HP published specifications. Warranted performance for print permanence can be found on the HP Print Permanence Website at [globalBMG.com/hp/MediaWarranties](http://globalBMG.com/hp/MediaWarranties).

When mounted on surfaces as defined below, media may be easily removed from the mounted surface. Prints must be applied in indoor environments per the process detailed at [globalBMG.com](http://globalBMG.com) to a well-prepared wall meaning that: The Wall Surface should be clean, dry, structurally sound and free of mildew, grease or other stains, and free of irregularities to achieve the best hanging performance and complete removal when redecorating. Prints that fail these guaranteed performance claims when produced on compatible HP printers identified in the HP Media Compatibility Chart, and with HP defined color and print workflows, will be replaced with the same or comparable HP media product at HP's option. To obtain warranty service, please contact HP customer support. At HP's option, HP will either replace products that prove to be defective or refund your purchase price.

To the extent allowed by local law, in no event will HP or its suppliers be liable for direct, special, incidental, consequential (including lost profit or data), or other damage, whether based in contract, tort, or otherwise.
